

# CHILL-O-MATIC INC. *The coolest dudes in town!*

Chill-o-Matic Inc. can save you \$1,000 - Limited offer

**Running your own restaurant is challenging! Costs are going up on everything, including the equipment you need to succeed.**

CHILL-O-MATIC HAS A WAY TO TOP UP YOUR BUDGET.

For years Chill-o-Matic Inc. has been helping restaurants ensure their food is as fresh as possible. Now, with the new **LBR (Light, Bright and Reliable)** cooler line, your options are even better.

Drop by our booth at the upcoming  
**Restaurateur Conference & Trade Show**  
on January 5th, 2021  
to see how our **LBR coolers** can make life easier in the kitchen.

The LBR cooler features include:

- Full **glass door** to see food easily, with special coating that resists condensation
- Lighter compressor makes it **energy efficient**
- **Easy to move** on rollers (avoid those pesky stairs though 😊)
- **28.2% less expensive** than competitive models

Reward yourself with time to focus on the food, enhanced customer service, and *getting home earlier!*
